[RECOMMENDED] 10 Engineering Institutions in South India by SilicoIndia

Sona College of Technology has been constantly ranked among the top Engineering Institutions in India and has over the years grown to become one of the most respected and highly sought after engineering colleges in Tamilnadu. Today, Sona has become an outstanding institution for learning and research.

Sona figures in the list of top engineering colleges in India based on its strength in the following areas:

- World-class infrastructure comparable with the best in the country.
- Envious Academic Excellence
- Highly qualified and experienced faculty with a staff to student ratio 1:11
- Consistent Placement record of over 90%
- MOUs with leading industries and organizations for Research & Development

The fact that some of India's top magazines have identified Sona as one of the top Engineering Institutions in India is a testimony to the quality of education that we offer.
