

MM UNIVERSITY

An Epitome Of Quality Education

Located at Mullana-Ambala, the Maharishi Markandeshwar University (MMU) began its journey with the establishment of MM Engineering College in 1995. Making rapid progress in a short span of 15 years, it developed into a vast campus comprising the institutions of high-profile, professional courses in the areas of medical sciences, dental sciences, physiotherapy, pharmacy, nursing, engineering and technology, business management, computer science, hotel management and catering technology, teachers education, law, international school, the latest being MM Institute of Distance Education.

Running under the aegis of the Maharishi Markandeshwar Education Trust, the MMU has been imparting value-based, career-oriented education, with special emphasis on medical and technical education, providing the best available training in academics as well as extra-curricular activities. The MM Education Trust takes pride in establishing the first self-financing engineering college, first self-financing medical college and the first self-financing deemed university in the region.

MMU's faculty provides the latest academic input, blending it with organisation of national seminars, conferences, workshops, industry-academia interactions and orientation towards research, innovation, etc. Its vision is to develop better than the

best professionals for the economic development of the country.

MMU has set up a vast and state-of-the-art infrastructure, fully equipped with modern amenities for its students. It has over sixty computer labs with about 2500 P-IV and licensed software, well stocked libraries with rich collection of books, national and international journals, E-journals, et al. The database of INFLIBNET contains about 30 lac bibliographic records of books, 72,635 serials and 220,206 theses, which are available in various libraries in India and are accessible to the users of these institutional libraries. DELNET offers access to more than 7,785,000 records of books, periodicals, articles, video-recordings, theses and dissertations held by 1629 libraries of the country and eighteen overseas libraries. The Engineering Library subscribes to all the 239 current IEEE, IEE and ASME (including AMR) Journals as well as their back-files online. Medical institutions have access to MEDLINE, the largest medical database in the world. The libraries of MM institutions comprise over 125,000 books and subscribe to 710 national/international journals.

Several reputed companies visit MMU campus during the academic session and its students get high-class placements with enviable packages in reputed establishments through campus interviews before completing their courses.

THE OXFORD COLLEGE OF ENGINEERING

Hosur Road, Bommanahalli, Bengaluru-560 068
080-3021960/02, Fax: 080-25730551, 30219629

Website : www.theoxford.edu Email : engprincipal@theoxford.edu

(Approved by AICTE, New Delhi & Affiliated to VTU, Belgaum)

The following courses are currently being offered:

Engineering Courses (UG):

Accredited by National Board of Accreditation.

- Computer Science & Engineering
- Information Science & Engineering
- Electronics & Communication Engineering
- Electrical & Electronics Engineering
- Mechanical Engineering
- Biotechnology
- Civil Engineering

Engineering Courses (PG):

- Power Electronics
- Digital Electronics & Communication
- Thermal Power Engineering
- Computer Science & Engineering
- Digital Communication & Networking
- Computer Network Engineering

Other PG Courses

- MBA
- MCA

Established in the year 2000-01 and located on N.H.7 close to industry and city.

EXCELLENT INFRASTRUCTURE AND COACHING. WELL EQUIPPED LABORATORIES AND WELL-STOCKED LIBRARY DYNAMIC PLACEMENT. SEPARATE HOSTEL FACILITIES FOR BOYS AND GIRLS WITHIN THE PREMISES. A FLEET OF COLLEGE BUSES.
