

NIDays 2011

India Graphical System Designer Summit 14 October | Bangalore

National Instruments India presents **NIDays 2011**, India's leading graphical system design conference and exhibition, on 14th October 2011 at the NIMHANS Convention Centre, Bangalore. Join us in celebrating the 25th anniversary of LabVIEW and network with 1500 most innovative engineers, educators, and scientists to explore the latest technologies which help you accelerate your innovations and discovery, increase productivity and improve your efficiency.

Keynote Session

Jeff Kodosky

The Father of LabVIEW shares his roadmap for the next 25 years of LabVIEW and graphical system design.

Technology Tracks and Industry Summits

A chance to meet industry experts and learn latest trends in applications and industry segments like Aerospace & Defense, Automotive, RF & Wireless, Energy/Power and Semiconductor Test.

Live Technical Demos and Exhibition

Visit the expo zone to experience the latest innovations in NI hardware and software along with innovative applications built using NI Graphical System Design tools.
