MULTIMEDIA SPEAKERS

ZEBRONICS' NEW MULTIMEDIA SPEAKERS CAN PLAY MUSIC DIRECTLY FROM A USB OR SD MEMORY CARD

Top Notch Infotronics has enhanced its line-up of speaker systems with the introduction of 2.1-channel ZEB-SW3200RUCF and 4.1-channel ZEB-SW3400RUCF multimedia speakers under 'Zebronic's' brand. The speakers come with a USB 2.0 port and SD-memory card slot to play music directly from these media without the need to connect the speaker set to a PC.

The speakers also have a built-in FM radio with capability to pre-set and store the stations of your choice. While volume, bass and treble controls are provided on the front panel, the full-function remote control puts all controls at

your fingertips. The speakers offer a rated output of 20 watts from the subwoofer and 12 watts from each of the satellite speakers, with a frequency response of 20 Hz-20 kHz.
