## PANASONIC INDIA PVT LTD

Rs 32,000 mn (2010-11)

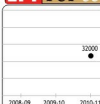

Headquartered in Osaka, Japan, Panasonic Corporation is a global manufacturer of electronic products and solutions for consumer, business and industrial needs. Panasonic commenced its operations in India in 1972. In February this year, Panasonic announced a voluntary internal recycling programme for electronic goods within Panasonic India Pvt Ltd in association with E-Parisaar, a government-approved electronic waste recycling company. The objective is to create awareness about recycling and its benefits within the organisation before taking the programme to consumers. Panasonic's largest manufacturing unit at Jhajjar is under construction and is envisaged to be completed by April 2012.

## TATA TELESERVICES MAHARASHTRA LTD (TTML)

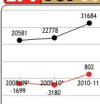

Rs 31,684 mn (2010-11)

Tata Teleservices (Maharashtra) Ltd (TTML) spearheads the Tata group's presence in the telephony sector in the telecom circles of Maharashtra (including Mumbai) and Goa. TTML commenced landline operations in 1988 and today claims to have the largest wireline base in Mumbai and Maharashtra amongst all private operators. With over 50,000 subscribers and over 50 per cent market share, Tata Teleservices (TTSL), the telecom unit of the Tata Group, is reportedly planning to merge its COML and GSM divisions. The move will also collapse all circles under four regional heads—Vineet Bhatia (west and upper north), Mahesh Thampi (east and UP), Yash Mehrotra (south) and Ajit Chaturvedi (Delhi and Rajasthan). They will be reporting to Deepak Gulati, president, who is in charge of mobility nation-wide.
