

MIRC ELECTRONICS LTD

Rs 19,422 mn (2010-11)

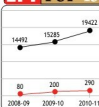

MIRC Electronics Ltd, a manufacturer of Onida brand of consumer durables, was established in 1981. It offers a wide range of household appliances including air-conditioners, washing machines, DVDs, plasma and LCD televisions, and home theatre systems. The company recently forayed into the LED lighting space with Onida and its brands. While Onida targets the urban sector (metro and mini-metro markets), Igo plans to improve rural penetration. Onida and Igo are looking at revenues worth Rs 500 million each in the first year of their operations in the LED space.

AMARA RAJA BATTERIES LTD

Rs 17,611 mn (2010-11)

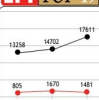

Amara Raja Batteries Ltd, a company with 26 per cent equity each from Galla Family and Johnson Controls Inc, USA, claims to be one of the largest manufacturers of lead-acid batteries for both industrial and automotive applications in the Indian storage battery industry. In India, Amara Raja is the preferred supplier to major telecom service providers, telecom equipment manufacturers, UPS sector (OEM and replacement), Indian railways and to power, oil and gas, among other industry segments. The company is now reportedly pursuing a deal with two-wheeler makers to be their original equipment manufacturer. At least one deal is likely to be finalised this year, which will give significant push to the company's battery sales.
