

## PRITHVI INFORMATION SOLUTIONS LTD

Rs 15,301 mn (2010-11)

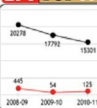

Prithvi Information Solutions Ltd is a global provider of IT consulting and engineering solutions company. The company started its operations in 1998 with registered office in Hyderabad, India, and the US head office in Seattle (WA). The company's global network of development centres and sales offices are in Europe, Middle East and Asia-Pacific. It recently launched a proprietary telecom churn management solution called 'UnChurn' in India. The solution aims at helping telecom companies identify reasons for churn, build decision models to help improve the top line and bottom line by minimising churn. It is estimated that the Indian telecom operators will lose around Rs 60,000 million due to churn this year.
