

NIIT TECHNOLOGIES LTD

Rs 12,322 mn (2010-11)

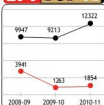

NIIT Technologies Ltd is an IT solutions organisation that services customers in North America, Europe, Asia and Australia. It acquired Procyta Sistemas de Informacion S.A. (Procyta), a software services company, which is headquartered in Madrid, in August this year. Projects has successful experience in servicing industry leaders in the travel and financial services segments, which will help NIIT in enhancing its European footprint. It also announced a strategic partnership with Morris Communications, a privately held media company with headquarters in Augusta, Georgia. Through this partnership, Morris Communications will now get integrated IT & BPO services for an aggregate amount of \$85 million over a period of five years.
