

HINDUJA GLOBAL SOLUTIONS LTD

Rs 10,732 mn (2010-11)

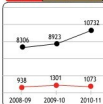

Hinduja Global Solutions Ltd (HGS) is part of the Hinduja Group. It provides outsourcing solutions that include back office processing, contact centre services and customised IT solutions to its global clientele. It has 42 delivery centres in India, the US, UK, Canada, Mauritius and Philippines. With over 22,000 employees globally, HGS designs and designs customised solutions across a wide range of industry verticals. HGS acquired 100 per cent of the equity shares of HCCA Business Services (P) Ltd from 3i Infotech Ltd in August this year. HCCA will now be a wholly-owned subsidiary of HGS. This acquisition enables HGS to enter the human resource outsourcing domain.

HBL POWER SYSTEMS LTD

Rs 9949 mn (2010-11)

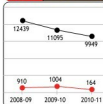

Established in 1977, HBL Power Systems Ltd focuses on engineered products and services and was the result of a merger between Hydrabatteries and SABNIFE Power Systems. It started with the business strategy of identifying technology gaps that could be filled by the company with indigenous efforts. It initially developed aircraft batteries that led to the company offering a wide range of specialised batteries. The nickel-cadmium batteries, lead-acid batteries, tubular gel batteries and chargers. It then moved to markets utilising its batteries for industrial electronics, defense electronics and railway electronic signalling. It has now moved to precision manufacturing, small AC & DC motors, spun reinforced concrete and 'green' technology products.
