

S MOBILITY LTD (Formerly SPICE MOBILE) Rs 9200 mn (2010-11)

Spice Mobility Ltd is a part of the Spice Group that has an exclusive telecom eco-system in India. The company entered the market with handsets targeted at the entry-level segment. Today, it has a bouquet of offerings that target entry, mid and premium segments. It was the first company to launch dual-mode phones. Spice launched its first tablet priced at Rs 13,000 in September this year. The company also tied up with SRS labs, a sound technology and enhancement solution provider, to deliver quality audio solutions to its mobile phone customers. It has already started incorporating the SRS WOW HD audio enhancement solution in its mobile phones.
