

India leading inline AOI solution

**2K
SERIES**

Fast & Compact

- ▶ Fully featured economic with small footprint
- ▶ High throughput and resolution for boards up to 14"x 14"

**5K
SERIES**

Maximum flexibility

- ▶ Fits the most demanding applications and product variety
- ▶ With high quality to maximize ROI for boards up to 21"x 24"

**7KDL
SERIES**

Dual-lane

- ▶ Multi-segment dual-lane conveyors for high throughput / high volume applications. Board capabilities of 2 lanes up to 21"x 11"

**9KHB
PERFORM**

Heavy board

- ▶ For high-end applications employing heavy, thick and large PCBAs up to 40"x 24"
