

LED MOUSE FOR NOTEBOOKS

**GENIUS' NX-ELITE WITH
AUTO-TRANSFORMING
TECHNOLOGY KEEPS
SHINING IN THE DARK**

Genius has launched a portable LED mouse for notebooks that is easy to store and carry along with its retractable cable. Featuring an advanced 1200dpi optical sensor that enables accurate cursor control on the screen, the NX-Elite allows you to efficiently browse through documents or Internet pages. Its ambidextrous design suits right-handed as well left-handed users.

The 74mm mouse provides more features than a notebook touch pad and comes in seven different LED colour designs that can glow in the dark.

TOUCHSCREEN PORTABLE MEDIA PLAYER

**ZEBRONICS' ZEBMATE CINEMA 3.0+ SUPPORTS 720P HD VIDEO, TV-OUT
AND MULTIPLE FORMATS**

Zebtronics has added a touchscreen model to its line-up of premium portable media players.

The 52gm ZebMate Cinema3.0+ supports 720p HD video and has an inbuilt 4GB storage (expandable up to 16 GB). The lithium-polymer battery allows uninterrupted audio playback for up to 9.5 hours and video playback for 2.5 hours. The 7.6cm (3-inch) colour TFT screen has 400×240-pixel resolution.

The player has a glossy-black front panel and a metallic finish on the back panel. Measuring only 11 mm in width, it has a size and styling similar to a contemporary cellphone. The sound is audiophile-quality with full controls allowing users to customise the listening experience.

16MP DIGICAM WITH POWERFUL ZOOM

CAPTURE MOMENTS BRILLIANTLY WITH FUJIFILM'S FINEPIX F500EXR

Fujifilm has come up with the latest in its F series digital cameras – FinePix F500EXR.

The 16-megapixel camera uses the EXR CMOS sensor technology that allows you to capture sharp photographs in brilliant colours. Its 15x zoom gives the ease to click distant objects without

compromising on the image quality. The 7.6cm (3-inch) LCD lets you monitor what you intend to click.

The F500EXR also features full HD movie capture, photobook assist function, face detection and recognition, dog/cat detection, 360-degree motion panorama mode and multi-frame composition.
